Dear STAR,

In MUPPET BABIES #23 ["Secret of the Mummy's Curse"], I loved the activities! I hope you can make more activities in the other issues.

My favorite Muppets are Kermit, Fozzie, Rowlf, and Gonzo.

Rick Magnuson
Fremont, OH

**We trust, Rick, that when you say "other issues" you mean *upcoming* issues. Otherwise, we're going to have a heckuva time recalling numbers 1 through 24, just to add some puzzles!**

Dear MUPPET BABIES writers,

I am ten years old, and I LOVE MUPPET BABIES.

I have a question for Nanny. Why, in every issue I have, do you wear the same sox?

Jenny Farley
Rockville, MD

**Maybe you could call it a fashion statement?**

**After all, two months between issues allows plenty of time for washing. And you know what they say--it a certain style looks good on you, stick with it!**

Dear STAR,

I have three of your best MUPPET BABIES comics, issues #6 ["The Storyland Caper"], 19 ["The Museum of Natural Mystery], and 20 ["The Adventures of Kermit Hood"].

I also have a joke for Fozzie: What did the robber with the banana peel say to his boss? I got away with the *SLIP*!

I have a habit of tickling people. So could you make a story where Animal tickles all the Babies and Nanny? I'd appreciate it.

Anyway, I love MUPPET BABIES, and I want you to keep up the great work you've been doing.

Danny Rocha
Modesto, CA

**You bring up a ticklish matter, indeed, Danny!**

**Your idea is good--but after that last joke, we don't think anyone's voting for it except Fozzie.**

Dear STAR and World,

I am hereby declaring August 29-October 2 National Weird Week!

Now, I want all you weirdos to say, "I'm weird and proud of it!" Louder! I'm weird and proud of it!! You... the cross-eyed one in New York, I didn't hear you!

If you are normal but have a lot of weird friends and want to join us, throw a party in celebration of weird week. (Just not so loud that you get arrested.)

Our founder is that long-nosed guy in comics (no, not ALF)... *Gonzo!*

And remember, to be weird or not to be weird, that is the question.

The answer of course, is to be weird.

Jay Smith
Renton, WA

**What an incredible concept, Jay! Not to mention weird. But sure sounds good to us!**

**We guess a career in public relations is definitely in *your* future. Can Gonzo keep your address in case he ever needs an agent?**

Dear MUPPET BABIES,

Hi, my name is Kelly. I love the MUPPET BABIES comic books, and especially the cartoon series! My favorite Baby is Skeeter.

Could you please show Nanny's face, and tell me what animal Gonzo is? I'm 11 years old, and I wanna know those answers before I get older and stop watching the show!!!

Kelly Ann Hawley
Milwaukee, WI

P.S. Okay, I probably won't stop. But put my letter in a comic book soon, 'cause I wrote a letter last year, and it still hasn't been printed!!

**What can we say, Kelly? Except... we're popular!**

**At the moment, we have no plans to show Nanny's face, but you never can tell. (Your interpretation was very nice, by the way.) As for Gonzo... the only thing we know for sure is that he's *weird*. Could there be more to it then that? The following letter has some suggestions...**

Dear STAR,

I like a lot of comics, but I like MUPPET BABIES the most. I have an idea of what Gonzo is--he's a mix between a blue marker and a bird.

I also have a new character for a comic. He's a super mole, named P.J. Peteson.

Joey Harworth
Stoughton, MA

**Hmm. We talked to Gonzo about this, and he agreed to be related to a marker--but only if it could be a *magic* marker! That okay with you?**

**(And that new character, the super mole? Does he appear in *underground* comics, by any chance?)**

Dear STAR and Muppets,

I like Kermit and Scooter the best. But why do you sometimes color Gonzo pink?

Here is a joke for Fozzie. Knock, knock. Who's there? Amos. Amos who? A mosquito bit me!

Knock, knock. Who's there? Andy. Andy who? Andy bit me again!

WOCKA-WOCKA!

Go bye-bye...

Shaun Knowker
Calgary, Alta.
Canada

**Hey, Shaun, if Kermit and Scooter are your favorite Babies, how come you're giving all the encouragement to *Fozzie*? Huh?**

**And we don't color Gonzo pink... if we can help it. Nope, he's more likely to color *us* pink--he tickles us pink all the time!**
